“ My favorite memories of you are the ones of you with your grandchildren. The love you have for them is beautiful. I love how you modeled a wonderful marriage and fatherhood. You were always there for your wife and children. Craig could always call you when he needed you. Carlie-Gail is going to miss hearing you call her, “Carlie, Carlie.” She always enjoyed your visits and loves her Granddaddy! I remember all the support you have given us over the years from checking out the first house we bought and helping us move to catching the snake that got in our house that time. I have always had an adoration and much respect for you and I count myself blessed to have known you the past 23 years. Things will never be the same without you here. We love and will miss you greatly. Heaven has gained an amazing man and I am grateful that we will all see you again one day.

“ *Im sad that you left this earth and it will not be the same without you but also it gives me peace in my heart knowing you are in a better place now and I am glad I had a chance to have you in my life..you taught me so much. From what a true devoted dad is, to modeling a good, strong marriage and to being the best grandparent that just showered his grandkids with so much love! It hurts me to know the kids will miss you coming around, reading to them making them laugh, playing with them and just enjoying your presence when you were around. Thank you so much! We will continue making you proud and I will make sure "pork chops" will remember you.. Doodle bug, Cupcake, Amaris will never forget you and knowing they will see you again one sweet day brings comfort to their hearts. I will take good care of your babies and your son Adrian. May you now rest in peace and shine down on us! Love you forever, your daughter inlaw- Devonna*

“ *Mr. Moore I will miss you so much! Thank you for being the best father in law a daughter could've asked for! Anytime I needed you, you were just a phone call or walk across the yard away. You were an amazing person and I can't wait to see you again someday! I love you dearly!
