“Peggy, Beth and I just wanted to let you know that we have been praying for you and your family during this time. Most of what I know about Forrest comes from my Dad's (Bill Sanders) stories. It is clear from these that Forrest was certainly a special and gifted man. The times I had with him were always so enjoyable. We will continue to ask God's care for you and other loved ones. “I am so sorry to hear of Forrest's passing. I'm glad I visited you earlier this year. It was good to see him still full of spirit in spite of the obvious health issues he had. I only learned of his passing a few minutes ago when I saw Jerry Appleton's e-mail. Had I known, I would have attended the funeral. Your loss is shared by many, you may be sure.
