“ Terri...my heart goes out to you especially since we lost our mother recently. We all loved Frances so much and she was such a big part of my childhood. Her and mother gave great showers to the girls in the community that got married. I remember them all I think! Love to you and your family. I know her and mother are checking up in Heaven!

“ Terri, I am keeping you in my thoughts and prayers now during this most difficult time. Ever since I can remember, Frances and all of you have been a part of our lives. She was one of a kind, full of life, laughter and love and this world is surely going to miss her. It was such a blessing growing up next door to y'all and all of you are not only the best neighbors and friends, but family.

I can imagine your Mama and mine are now enjoying catching up on events in a beautiful place where they are now well and whole again.

I am here whenever you need me. I love Frances and will miss her, but as the pastor said, it is not good bye, we'll see her later. Love you
