“ We are sure gonna miss Miss Francis. She always had something to say that would make us laugh! She was always faithful to come and help at VBS at church each year. A lot of the times she really did not feel like coming but she would come on because in her words "them poor little kids need someone to love them & keep them in line!" and Francis would always make it a point to say something to each one. Tony & Mary Gay and family remember this is just a short seperation until we meet again in Heaven.. May God Bless your family during this difficult time. Tim & family
