“ There are just not enough words to describe my love and heartbreak for Alice, Jason, Lee, Amy and the whole family. Frankie was my cousin whom our family cherished being around over all the years that I can remember! He was loving, kind, funny, and just a true genuine family man through and through! I'm sad that we haven't been up to visit in such a long time. I will miss him dearly. Summers spent with our Alabama family are some of my favorite memories! We love you Frankie and you will always hold a special and dear place in our hearts! I wish we could have been there today to hug all of y'all. We will be praying for comfort and strength for the years to come. I know he's reunited with my Daddy and Aunt Lorine and all our precious family that will be greeting him at the gates of heaven!

Love always and forever, Wendy McKinney Boatright and family
