“ I knew Mama Jerry when I was 7 years old. I always ran away from her kisses but once I got older I wanted her hugs and kisses because she never stopped given them to me even when I ran from her. I would always run into mama jerry in walmart and she never once went a time without telling me how beautiful I was and how she missed me. I wanted to see you mama jerry when I found out you were sick because I knew something was wrong when I didnt see you in walmart. I just now found out that you have left this world and gone on to be with JESUS!!! I will forever miss you till you and I plus papa jace meet again in glory. “ Tonya and Mrs. Daniel, Jerri will be greatly missed. She was one of a kind. She was truly a living example of what a christian should be. She always wore a smile. I regret that I was unable to be in contact with her during her illness. I didn't know that she was ill until recently. Jerri and Jace were always supportive of me during the illness and death of my husband. When my husband passed Jerri told me that he and Jace were in heaven together singing and praising God. Now she is there with them not only singing and praising God but she is playing the piano. All those who knew Jerri will miss her greatly. Dolly McElroy

“ I only knew Mrs. Williams for a short time, but in those few days I realized what a strong, wonderful woman she was. I fell in love with her from day 1. No matter how much pain she was feeling in those final days, her sense of humor always shined through. She holds a special place in my heart. Tonya I hope god gives you and your family the strength to get through this. She will be missed.

“ My thoughts and prayers go out to the family, I know she will be missed. I also know she is celebrating with Jace now that they are together again. What a blessing you were to so many people while you were here on this earth, you were a walking testimony of God's love! I know you and Jace were both blessings to this family. Will see you again one day friend! Love you
