“ Brother Glenn was our pastor at Bethlehem United Baptist, Gallant. He will always hold a special place in our hearts as our pastor. He performed our marriage ceremony and then later took part in the dedication of our new home. During the years we came to know him as a great prayer warrior. We also came to know you, his family, through little short stories he would share from time to time during his sermons. Some were light; others serious with his concerns for you. In every mention of his family, we felt the tremendous love he held for all of you. Thank you for allowing us to know this wonderful man of God! As my husband said this morning, "Brother Glenn's little dash was truly 'Much'! Our lives will forever be blessed by his zest for life and his Lord!

“ Bro. Glenn was our Pastor at Mt. Zion United Baptist Church. Our family loved him and our church will miss him dearly. He strongly believed in Luke 14:23 and diligently worked to compel those in our community to visit our church. He loved his church and wanted to see it grow in spirit and number. My husband (Larry) was in and out of hospital last fall and passed away in October. Bro. Glenn visited us often offering encouragement and prayers. Larry loved his visits. His dedication to God and his church has been an inspiration to us. No one could sing "There is Strength in the Lord" like he could. I feel blessed to have had Bro. Glenn as my pastor.
