“ Our hearts are saddened to hear of Harold's passing. We remember many years ago when our family, Roy and Evelyn Morrison and all their children would gather either in Ball Play or in Woods Bend. with all of Woodrow and Velma's children. The thing that I remember and forever cherish is that Woodrow would go get a full stalk of bananas and a whole roll of bologna and let us kids slice our own bologna with his big butcher knife. Then late in day we would make homemade ice cream taking turns sitting on the churn. Rest in peace Harold and for all Harold's sisters and brother Jack that are mourning Harold's passing, please know that's Jimmy, Mack and Sybil love you all . What a day that will be when in Heaven we all shall see. Love Sybil, Jimmy and Mack.

Thank you Sybil for these kind words, I was the youngest so I don't remember things like the older ones, but I really enjoy hearing about growing up days. Love Sandra.
