“ *God Bless the Renfroe family during this time of loss, and grief. I used to see Preston mowing his lawn, or taking a walk around the neighborhood, he was always pleasant to talk to....or I'd see him working at the Post Office,,,he will be missed in our neighborhood, and in Centre.*

Brenda and children and families, I extend my heartfelt sympathy, prayers and love to you all, may God keep you and give much needed comfort 🌹 🌹

I was listening to Hank Williams today and a few others made me think if Preston and how Talented he was as a musician. He passed that on to his family.

“ There are too many to list. But he tried everything he could to avoid having to leave his home, This last effort was just too hard for him to make it through.it.
