“ *My Uncle Glenn and Aunt Margaret were like a movie star couple to me. They were a striking couple and you couldn't help but notice them when they entered a room. They never acted " uppity" though. I always had so much fun with them. The first time I ever water-skied was when my Uncle Glenn pulled me around in his boat. I will miss both of them greatly but I know there are two vibrant red heads that are back together again.*

Love you, Glenda and John Peters
