Carla losing Glen was like losing a brother. I have adored and loved him since high school. He was one of the sweetest men that I have ever known. We shared such a special bond with the adoption of Bett. He will always be loved.

“ *I moved from Birmingham to Centre over 30 years ago. Did not know a single person in Cherokee County, started a new job a Proctor-Gladden Ford and my new family was "born"! My best friends were Glenn Chandler, Phillip Abernathy and Noah Gladden (That may explain a lot for some of you that know me:)) I literally grew up around these guys! We have been through the good, the bad and the ugly. We have laughed together and cried together! Glenn loved his family, loved his girls, loved his wife, loved his dogs and loved his community FIERCELY! Glenn loved life, lived it to the fullest! We could all learn from him, through all his health issues he never complained, faced each day with a smile and a positive attitude. I loved Glenn like a brother and will laugh and smile every time I think of him because he made me a better person by being my friend.*

Glenn was such a sweet and caring person. He had a loving heart and a friendly smile for everyone. Larry enjoyed their conversations and cherished their friendship. Glenn would call him often to check on him and always brought a smile and a chuckle to Larry and it warmed my heart to see and hear the laughter his calls would bring. He was a good man and a good friend to so many. He will certainly be missed.

“ *Carla & Family- We are so sorry to learn of Glenn’s passing. He was a kind man- we dealt with him back in the day when he sold automobiles. We would not have bought from anyone but him ! He was an honest man. We know this is a tough time you are all in our prayers. Tonya & David Pike*

“ *I have 52 years of memories! My dad was well loved and loved well! He loved each and every one of his friends. We were truly blessed to have had him. The day he had his stroke he had gotten out in his wheelchair and taken some homemade soup to Ms. Margaret next door. This was who he was. He was a giver. He gave to everyone and he gave his all to his life! He loved God, his family, and his friends beyond measure. He will truly be missed. I will see you soon daddy! I love you.*

Glenn & I were classmates and shared a lot of fun times. So many memories come flooding back when I think of him—memories that make me smile and laugh too. Lisa, Bett, Carla I'm so sorry. My condolences to you and all those who loved and will miss him. May you find solace and comfort in your memories.
