“ I had the privilege of working with Jack many times over the years. He was always very helpful to me. He was a joy to serve with as a Deacon.

Jack displayed a servant's heart and a love for the Lord.

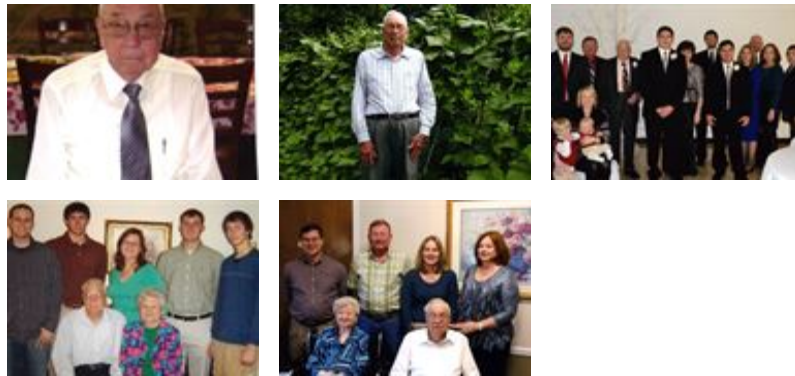

He was an asset to the ministry at First Baptist Church. I know that he is rejoicing as he is seeing his Savior face-to-face.

“ *Family: My thoughts and prayers to each of you in the loss of Bro. Jack.. Another of our greatest generation of people who stepped up to help defend this great country in World War !!. I feel blessed to have got to know Bro. Jack in the last few years along with attending church with him, having lunch from time to time also with him. He along with Bro Wallace and David and their staff done my taxes each year and I always felt I had the best people in town completing my returns. Fair winds, smooth sailing Bro Jack with no more pain or hurting my friend. May God bless and comfort each of his family always. Resp, Wendell O. Rakestraw, Centre, Al*
