“ My deepest sympathies in the passing of your Dad. Our Dads taught a great deal from their generation that instilled strong values, work ethics, and love for God, country, and family. Take care and again my sympathies are with you and your families in your loss.

“ My deepest sympathy to the family of my first cousin, Jack Small. We always kept in touch at Christmas time during these later years. He will be greatly missed. Our big family is slowly becoming much smaller. Again, my sympathy to his family.

“ Aaron, Please accept my deepest condolences & sympathy's on the recent loss of your father. I don't know if you remember me, but my Father had a Bait & Tackle Shop in Geneva, IN near Flat Rock River. My father passed away in 2005 and lived to be 86 yrs. I remember when he had the Honda 305 Super Hawk. Do you remember now? I believe your father purchased it from my father. Anyway, I'm a semi-retired engineer and currently have a lawn care service. I also have a river marina on the Ohio River. It's hard to believe that so much time has passed by since we were kid's. Some of the guy's are still living in the Geneva area; Mark Eads & Rick Henderson. Anyway, I just wanted to let you know who I was. Again, my sincere condolences in the loss of your Father.
