“ *My sweetest memory of Mr. Wheeling was when he was on his mower cutting grass. Always a kind word when we saw each other. I have lost a friend.*

“ *I have this memory of Bob & Glenda. When I was about 8 years old we were over visiting from Georgia. They had some kind of convertible car & we had never ridden in one before, so they took up for a ride. I know my brother Jeff was there & think Mike Rutledge was also. They were all talking as we rode. Somebody asked Bob if he liked the Beatles. I can remember him saying, their music was OK but he didn't like their hair. Don't know why but that has stuck with me for over 50 years. It was a really fun day...Tim Crisler*
