“ My condolences to the Family. Mrs. Dotson was my favorite teacher at Gaylesville High School (Class of 82). She was always very motivating and inspirational. I had dealt with some issues while in high school and I could confide in Mrs. Dotson and she never ever judged me but was always very uplifting and supportive. After I graduated from high school I never saw her again but she has always had a place in my heart and I will always have fond memories of her.

“ Jane was our dear friend for many years as was Warren. Time, distance, and other responsibilities have kept us from seeing each other often, but we have never stopped treasuring her friendship. We will certainly miss her. Our love to all the family.
