“ *I have had the distinct please of watching Keith and Carla grow up in East centre. Janice was a superwoman when it came to her children (and grandchildren) doing all she could to give them a good life. I am deeply going to miss her. She would always ask me about Gay anytime we talked.*

I knew Janice from growing up in the Piney community. I now live in Texas and when I come to visit my mom Bertie Lewis I would always go to Pine Grove Janice was always so exited to see me and always asked how long are you going to be here. I will not getting to see her.
