“ *My heartfelt sympathy goes out to Janice's family! Once upon a time during elementary, middle and high school she and I were back and forth at each other's houses every day when we were allowed or not grounded, lol. We played hard and Pam would even join in our silliness some days. She was always there for me and told me exactly what she thought. I loved her and she always was smiling no matter what!! I know she's breathing easy now and rejoicing with Jesus and her family!! Wade and Tim I'll always remember us having to run around the house to keep your mama from whipping us all!! Some of my best memories are spending time with all of you growing up!! Love and hugs to all of you!!!*
