“ I am do sad to hear about Janie's passing. My husband Tommy Mobbs, and I would always go through her Teller window with our banking. One day she was really busy, and gave Tommy too much money and he gave it back to her, she was so happy, telling Tommy thank you because not many would've done so and she would have been short in her cash drawer. She was always so neat, and beautiful! God Bless All Family Members, and my most heartfelt Condolences to them. Cindy Mobbs

“ Blanche UMC was my first church I preached at outside of my home church. Jannie was always kind and welcoming to me and my wife. She showed a lot of grace to me in my first preaching days. She was a sweet lady that will be greatly missed.

“ I have such fond memories of when Mr Lewis and Mrs Jannie met. He would light up when he talked about her in class. My Dad, Billy Newsome, thought the world of Mr Lewis and Mrs Jannie. I send deepest sympathies to the family, but rejoice in knowing she is free from her sickness. God Bless.

Jannie, my life was made better because you were my classmate for 12 years and a forever friend. I'll miss seeing your smiling face and your cheerful, positive attitude. I guess the good Lord has other plans for you.

“ Jannie, was a few years back when my brother and I met you and Frankie for the first time at your home. That was a connection that has been a blessing for us. Your brother Jim brought us to meet you and Frankie. Thanks to him and some other love ones I followed you all. Knowing where you are now has some comfort, my heart still breaks. Thank you so much for the Memories. Wayland and Bill your Texas connection
