“ *I remember riding with my daddy in his GTX The Green Goat. We raced that Gaylesville bridge a lot... Daddy got tired of racing this guy after he had beat him 8 times... So daddy told him.. look you get in my car and I will drive yours and we will race... Daddy told him get on it drive it like it's yours... Do they raced.. Daddy beat him.. driving the other man's car... Daddy told him sometimes it's the driver.*

“ *I don't want to say goodbye to you, please I don't want you to go, life won't be the same without you, you could always make me laugh and feel better if I was having a bad day, you were always like my second dad I could always count on you if I needed you, when I came to your house you were always standing there in the front door way with a smile on your face, it's going to be hard now when I go and your not standing there , I Love you and I'm going to miss you so much...*

“ I love my daddy so much.. When I was growing up I remember riding with daddy when he was racing, standing in the back one foot on each side of floor board.. sitting on the floor drinking grape juice and turning my clothes purple.. Daddy was always my rock.. when you saw one you saw the other.. I miss him already.. I'm happy for him knowing he is in Heaven.. but my heart breaks over and over .. R.I.P Daddy , you will never hurt again
