“ Sandy and Family,
I know Heaven is shining brighter and the angels are singing as this precious soul was called home. I loved this woman like my granny. She definitely left footprints on my soul. I won't ever forget the day she looked at me and said "you a weasel just like your daddy". 😂😂. Aww she was such a hoot. May God wrap his loving arms each of yall during this difficult time. God bless and rest in peace Jewel ❤️
