“ I remember Mawmaw getting outside playing with us as she raised me and my sister and never complaining about it. I remember her waking me up for school and me asking for chocolate gravy and her making and while making it looking at me saying I love you and Mawmaw always will and don't you forget that. Her always getting onto me telling me to be nice to Marty even though he was aggravating me lol. Her kissing our boo boos telling us they will get better now cause they have Mawmaw's love on them. Mawmaw we love you and miss you very much. You're gone but **DEFINITELY WILL NOT** be forgotten. **RIP Mawmaw we love you!!!**
