“ Joe seems to have been a man of action. Joe is 4 years younger than me. When I was 18 or 19 Joe was driving a 1956 (?) black and white Ford with an engine so big that it had a cable to get from the accelerator to the carburater (Impressive). At 14 or 15 he seemed to be following a dream. He will be missed.

“ Our memories of Joe will include his big smile and warm hello. Were honored to be a part of his salvation testimony a few years ago. May you be resting peacefully in the arms of your Savior, Joe. Our prayers are for those you left behind and mourn your absence. May God bring them peace as only He can.

“ I was an older lad (cousin), but I remember when we lived next door to Sheila, Lester and Joe and their parents in Rock Run. I even picked cotton on his dad's farm. The cotton patch was behind our houses. Our families buddied together over the years. To Joe's family, we wish to send our deepest condolences on this sad occasion. May God uphold you with His Love and may He give you comfort and peace now and in the days ahead.
