“ So sorry for your loss. He and my daddy (Wayne "booty" Bowman) was real good friends. I've always thought of him as a uncle.

“ To my family in Alabama and Georgia, I am so sorry for your loss. Ladon will truly be missed. I wish I could have been there for the funeral to grieve with you and be there for you all in your time of need. Like all the Kiser's I know, Ladon was such a hard worker. When I was younger, I could barely comprehend how he had so many businesses to run from boat repair to cutting down trees and hauling wood. The man was seriously busy. My favorite memory of him was when we went over to his house one night and hung out with him and his family. We had such a great time talking and playing games. I think we didn't get back to our aunts house until 3am or so. I also remember Ladon loved to call me a "Yankee" because I was raised up north in Chicago. Ladon, Roger, and my uncle Joe Van would love to take me around and introduce me to their friends as this is my "Yankee" cousin/nephew. I was on full display. Lol. I think people thought I was an alien or something the way they pranced me around. Lol. "Did you ever see a "Yankee", not since the civil war.. I wish he could have said that one last time because it made his day to watch me squirm when the interagations begin with all their friends. I might be a "Yankee" per say, but I always knew he loved me regardless. I will always have love for him too. Love you cuz!

“ I am so sorry to hear about the passing of my cousin, Ladon. My father, Uncle Cal, would bring us down south to visit our family and I remember when Ladon had a huge deer in the back of his pick up. He was so proud to have hunted this deer and his laugh was one I will never forget. I remember how proud he was of his home that he built for his family and he showed us each room. Being from Chicago, Ladon and I shared laughs about our different dialects. Often asking each other, what did you say? My dad loved his nephew and I know he is looking out for him in heaven. Sending my prayers for my family, miss you and love you all!
