I worked with Michael at BMC Cherokee many years ago. Just after he graduated nursing school. He was a wonderful person. So caring with the patients... He will be greatly missed by so many people. I'm thankful to have known him. R I P Michael <3

“ *My heart breaks to think that the world has lost this loving, witty, kind-hearted man. Mike was truly a special person and I was blessed and honored to call him friend and "family".*

I know that he has been greeted in Heaven by his dad and Tracey and Alison and Robert and Patrick and Meg and Aunt Lil and so many more family members, and that he now rests in the hands of God. I pray that God keeps close watch over Novella and all of Mike's family to show them the way to accept this devastating loss and heartbreak.

Rest easy, Mike, and watch over those who love you.
