“ Pop we will always miss you and always love you. So happy that your loving family were by your side when you left us and went into heaven. We know your dancing with Momma now. So happy to be holding your hand in your final days. I will always take care of your pride and Joy Bruce for all the days of my life, just as you asked. I will always cherish our talks and good times.

“ Dear God in heaven, please take care of my Pop. He has made me into the man I am today, He married my mom, adopted and raised her 5 kids. we were all blessed to have him as our father. I want to thank you for being the man you didn't have to be. Thank you for being my life teacher, role model and hero. I will never forget all the times we've had together doing projects. I know the pain is gone and your in a much better place holding hands with mother in heaven. Until we meet again your always in my heart and soul. your SON! Bruce Hampton
