“ To the funeral home.I want to truly say I am sorry that you had to witness the ignorance shown at the end of the grave side service by this sweet child's father John Richards and STEP mother Donna Richards.And thank you for allowing the little blonde girl to put her flower in the dirt to say her good bye.All 3 of you funeral home men handled that classless situation with class.

“ 1 Let not your heart be troubled: ye believe in God, believe also in me. 2 In my Father’s house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. 3 And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. This simple bible verse says it all. Michael I have loved you from day one. That has never changed and never will. That is in me and can not be taken. I know you are not in pain no more so run like the wind and enjoy. I want to say my heart breaks for all involved. Michael is loved by so many. We must remember that FAMILY is forever, we will all be in heaven together again one day. No matter the differences we have or had, we are all God’s children and are bound to stick with him again. God bless you Michael and Turtis loves you.

“ I am so sorry for your loss. It must feel awful to lose a son, but even worse to know the intentional hurt you are causing his REAL mother and his other family members by leaving off this. There is a special place in HELL just for people like you. Praying for Kelly and Randy and the rest of the children not mentioned in this. May The Lord comfort you and bring peace to your heart during this tragic time.
