A special thank you to Intrepid Home Health Services.

There could never be a mother or grandmother that loved her babies as much as this little lady did. Mom was the most selfless person I've ever known, to have had so little. But ask her she'd tell you she had the world. Our lives will

forever be changed without her with us. However, with our faith in Jesus Christ, we know she is forever with us and know we will see her again one sweet day.

And you now therefore have sorrow: but I will see you again, and your heart shall rejoice, and your joy no one will take from you.

“ *A piece of my heart is gone. She was one of the sweetest ladies I've ever known. I had the privilege of being her sister in law for a time, and we were close. Even though years have passed she will always remain my sister. My heart and prayers go out to you and your family.*
