“ I have many memories of Karen visiting when I was younger. We always loved to get to spend time with her. We recently were able to see more of her when she moved to Centre. She was so fun to be around, caring and compassion. She will be missed dearly. God has gained an angel for sure! Prayers for family and friends during this time. Much Love & Condolences Shelley & Stacy Vaughn

“ *Karen used to drive me around town on Sunday afternoons and weekend nights. I did not have my license at the time. I remember one Wednesday night at JMBC she came in and sat beside me. She was happy to show me her new ring with a blue stone in it. I can smell it as I write this; the smell of Jungle Gardenia. She was always the big sister we all would have loved to have had. She was always smiling and happy. I will forever remember how she made me feel. I know she is smiling still.*
