“ We had a lot of fun in school and on the football field. Loved blocking for such a good QB. I wish I was still blocking for him. Keith always made us laugh no matter what we did. I will see him again one day. RIP brother. NO pain NO pain

“ Derrick and family, I'm so sorry and only have inadequate words to convey my sympathy. I hope you find comfort in the fact you all as a family stood by Keith to support and care for him when he needed you. The Wheeler family demonstrated what family is all about and faced the storm together. I pray today and every day after your family will find a measure of peace in memories of Keith.

“ *Please know that you all are in my thoughts and prayers, during this time of sorrow. As I reflect back on memories, in High School, you could always know that when Keith, was in a crowd or in class, that there was going to be laughter. So as a member of the CCHS Class of 1984 I say RIP Keith, you earned your wings.*
