“ I am so grateful that I knew PawKen, that’s what we called him. I’m the Aunt of 4 of his grandchildren. Every time I saw him, I was always greeted w/a smile & a hug & then he would say, “Hey Tiny from Texas, here you are again, you just couldn’t stay away! I’d smile right back and agree!” What I loved most about him is that he treated us all like family. RIP PawKen!❤️🙏

“ Always smiling and so happy. Pa Ken was always so kind. More like a brother than a brother-in-law. His faith shone through in everything he said or did. Always lending a helping hand to family, friends and neighbors. He cherished all the children in his life and that is why he was a Pa Ken to all of them. We love you Pa Ken.
