“ My memories go back to Vina. Laura was ahead of us but in a small school you know everyone. My husband and I both had Mr. Mac at Vina and he and Tommy grew close Tommy would visit him in Red Bay after they moved there. Then I was hired in Cherokee Co at the same school Laura taught in. We got to know each other better. After I went to CES I had Dexter when he was Bruce's stepson. Although we were not extremely close I still considered Laura and Mrs Mac my friends since we lived in Centre. They both were extra sweet. Family I say. Remember the good memories and trust God to carry you through this sad time.
