

## Lee Story Browder

January 17, 1952 - May 24, 2022

Lee Story Browder, 70, passed away at his home surrounded by family on May 24, 2022. Lee was a lifelong resident of the Rock Run Community in Cherokee County. He was an avid Auburn fan, a hunter and fisherman, and above all a loving husband of 50 years and devoted father. After graduation from Spring Garden High School in 1970, Lee joined the National Guard. Lee then worked for 36 years for the Coke Plant in Rome, Georgia, before retiring in 2007. As much as he loved tinkering in his barn and tending his garden, he went back to work part-time at Auto Zone in Piedmont because of his desire to help others and be around people. He was loved by many and will be dearly missed. Lee is survived by his wife Nancy, sons Shane (Courtney) and Kevin (Laura), and grandchildren Jonas and Alyvia Browder. He is preceded in death by Runette (mother), Robert (father), and Greg (brother) Browder.

The family would like to extend their gratitude to Amedysis Hospice and very

special caregivers, Ashton Weaver and Bridgett Poole, for all of their love and kindness the past few months.

There will be a memorial service at Rock Run Baptist Church on Friday, May 27th at 1:00pm. In lieu of flowers, donations may be made to Rock Run Baptist Church.

“ I will miss Lee, I've spent more time with Lee in the last 3 years since retirement and being our neighbor/ friend during shut downs. I have helped him work on his chimney and in return he would help me with my deer. He was quick witted and knew a little about everything. I will miss seeing him in his yard and going by and waving on one of his frequent visits to the beaver dams and deer plots. It didn't take a lot to make Lee happy a truck, a ride on the gator, his garden and his family. I'll see you on the other side buddy.....

“ I have known Lee all my life. In years gone by he ran around with my brother Ronnie and the neighborhood boys, they had some stories! Later in life we would still be neighbors and share the bounty of our gardens ( mostly his). We swapped a lot of good stories and jokes.

Lee was usually there in the times my lawn more quit to lend a hand. In the last several years ago before Covid hit the world he and Nancy became special friends to us. While we all felt trapped during shutdowns we had each other to hang over the fence and stand on porches for some good conversations. While serving on the finance committee at RockRun Baptist I came to find out that Lee had an incredible mathematical mind. He could calculate faster in his head that I could on a calculator! It broke my heart when he got sick but he always had a way of tagging me in a good one liner. I will miss him so much, truly he was a friend. I love you and your family. I See you later Lee.....
