On July 4th God needed a beautiful flower for his flower garden. He reached down from heaven and took the most beautiful flower of all, Mrs. Linda Headrick. She was the most amazing lady I ever had the privilege of knowing. She loved her family and friends with all her heart. Mrs. Linda had that special touch that could make you smile just by being around her. I love and miss you Mrs. Linda but God has the most beautiful flower of all in his garden in heaven. Rest in peace and you and Little Sparky enjoy your walks in once again as you look down from above and smile that beautiful smile of yours.

On July 4th 2022 God needed a new beautiful flower for his heavenly flower garden. He reached down and got the most beautiful flower ever, Mrs. Linda Headrick. Mrs. Linda was the most amazing lady I ever had the privilege of being in my life. She loved her family and friends with all her heart. Mrs. Linda could touch the heart of anyone who knew her. She always had such a beautiful smile on her little face. I love you Mrs. Linda and I will always carry your memory in my heart. I saw a beautiful rainbow today and I knew you were standing at the end of it letting us know you were looking down on us with that beautiful smile letting us know you are happy to be with your loved ones already in heaven. You are and always will be missed by all. Rest in peace Mrs. Linda. Enjoy your walks with little Sparky. I know he is so glad to see you. He was such a special little little dog. Can see his little tail wagging.
