“ To the Family of Ms. Calaway you have our deepest sympathy over the lost of your mother. I know she will truly be miss by all who knew her. Though death of a loved one can bring us pain there is hope that the Bible give us about those sleeping in the grave, at John 5:28,29, Christ Jesus said "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out". Though the resurrection hope does not take the pain away from losing a loved one it does give us comfort in knowing that one day we will be able to see them again.
