“ Lori, you were a goddess inside and out and you will always be remembered fondly. I had so much fun with you and Lynn and Barbie and then with you and Steve at the Allman Brothers Band shows and festivals and of course GABBAbest. Your spirit will always be a presence in my life and I hope to see you again soon at the Festival in Heaven. Love you, Barb

“ There is a goddess in heaven & her name is Lori. I will never forget the first time I was blessed to meet such a delightful young woman. Not sure if our paths would have crossed had it not been for my association with The GA Allman Brothers Band Association/GABBA. Lori was always the life of our revivals. She will indeed be missed by so many people. Whenever I lose a loved one, I take comfort in this. The promise of eternal life with our departed loved ones becomes the gift of hope. We will all be together one day again. My thoughts & prayers are with Lori's entire family. May His angels watch over all of you. Love, Alice

“ You, my dear webby, are so truly and greatly missed. You have touched the hearts, lives and souls of so many. May your memory of greatness live on for many years to come and I hope to see you on the other side. Candles continue to burn in your honor across America. May you rest in peace and know were all still thinking about you.
