“ Terry and Tim,
Your mom was such a sweet lady and a special friend to our mother, Faye Moon, while they were together at the assisted living. Both of our families were blessed to have had well respected parents to guide and lead us through life. She will be dearly missed by many. Will keep you both and your families in my thought and prayers in the days ahead.

“ What a gracious lady! I've had the pleasure of knowing Ms. Upton for 50+ years. I attended highschool with her sons and am a good friend of Terry's. My brother, David, and I visited her in her assisted living apartment in 2018 or very early 2019, and she still had her keen mind with a sense of humor and that incredible smile. She reminded me of the time I stopped by her home and asked her to press my suit pants before my senior prom. She was always good to me and she will be truly missed.
