“ *Malcolm was the epitome of the two greatest commandments that Jesus summed up in Matt. 22:35-40. As footprints make impressions in the sand, Malcolm made impressions in the hearts and lives of everyone he came in contact with, in this life. "Enter thou into the joy of thy Lord." Matt. 25:23*

“ Mr. Edge was definitely the most memorable teach at Glencoe High School. His caring personality for his students was remarkable. He definitely went the extra mile to make sure you were the best that you could be; not only in the classroom, but in every aspect of life. He was not only a teacher, but friends with everyone. I was always amazed how he could remember what year you graduated, and who your parents were! I guess that was because he taught generations of Glencoe Yellow Jackets. Mr. Edge you were loved be many and will be missed by all!

“ Mr. Edge, You were a wonderful teacher, but even a greater person. Most teachers only taught what was in a school book, but you taught us life lessons. You were a blessing to all who knew you and we are all better for having you in our lives. Thank you for sharing your stories and wisdom.

“ What can I say that hasn't been said. I met Mr Edge in the seventh grade. I knew he was different meaning he was special. Mr. Redhead was always available for help or extra work to make sure you understood. I was blessed to have known him. God willing I will see him again. Janice Norton Lee

“ He was a wonderful teacher, mentor and friend to my family from the time he taught my mom in 8th grade until his passing. We all love him dearly and he will be missed. The world is somehow less knowing he's no longer here to brighten the day.
