“ Aunt Mary Jewell was like a second mom to me after my parents past. She was always calling to check on us. She was the sweetest person I have ever known. I work at Walmart when I would see her there. We would always talk and talk. If someone she knew walked by. She would stop them and say “this is my nephew “. That meant so much to me. I loved her so much!! I think of her daughters as the sisters I never had. Hope you are having the best time with all your family in Heaven. Love and prayers to the family.
