“ Dear Donald & Family,  
I am Nan VandenBerg of Panama City Beach, Fl. I am Past President of the Women's Civic Club of Panama City Beach, Florida, Inc. Maxine was a loyal and vital part of our club since 2001. For example, for many years she was in charge of Reservations and Luncheon Meetings, making sure all members were notified of meetings, greeted at the doors, etc. She also helped with our annual dance by selling tickets and greeting at the door. Among other things, she also faithfully kept beautiful photo albums of all the club's activities for each year, We want you to know how much we appreciate all that she has done throughout all those years. She has been a wonderful friend to many and she will be truly missed! Please know that we would have responded sooner, but were not aware of her passing. Please accept our deepest condolences.
