“ Mike was one of my best friends in school. We went 12 years together, mostly in the same classes. Mike, Sparkey and I use to catch the bus in Collinsville and go to Alabama football games by ourselves as young boys. Some of my favorite memories were spending time at Mikes home. Ms Hall was a wonderful woman who I thought the world of. One of my favorite memory was that Mike had a bathroom next to his bedroom, I had no indoor bathroom at home so it was nice not to have to go outside to use it. I truley believe Mike and Coach L.D Dobbins was used, by God, to save my life. I believe I would not be living today if things had not have happened the way they did. My prayers are with the family and I will always remember the good times Mike and I had.

In 1957 I met Mike and Sparky. Sparky and were in the same class and we became best friends. Even though Mike was older, he was also my friend. Through the years of growing up, I was in and out of the Hall frequently. There are memories of Mike Sparky, Neil Robison, Larry Yancey, Mike Watson, and myself shooting pool in our garage apartment, something we did often. And there were trips to Convention Hall in Gadsden made by our group to see musical acts such as L. C. and the Tams the Tams Orchestra, and The Tams Review. Those were the care free and fun times. As the years passed in our adulthood I would see Mike from time to time, we would talk and share thoughts and ideas. I always enjoyed those visits with Mike. My condolences to the family.

We will all miss Mike.

Michael was an extraordinary man. He was my dear friend for almost 60 years. Wherever life took us, we always maintained contact and a lovely friendship. A friendship that last through all the stages of your life is a rare treasure. I will miss Michael deeply. He enjoyed a strong faith and relationship with our Heavenly Father. He was a devoted father and loved his daughter fiercely. He was so proud of Amber and mentioned her latest accomplishments in every conversation. We shared the joys and sorrows of our life with one another, and gave each other support. Michael was a strong man and a wise one. It is to him I wish to go to discuss the passing of my rare friendship. I wish Michael had left us some words of wisdom, a way to get us through. The world is a colder, darker place without Michael in it.
