“ Mike Stimpson was one of the best people I've ever had the privilege of knowing. He wasn't blood related but he was my family. He was so smart and so funny. He always had the best stories to tell. I loved him dearly and he will be missed by many.

“ *Went to school with Mike for 12 years. Have such fond memories of those times. Having egg hunts at his house...us classmates laughing because he could moo like a real cow. Always pleasant to be around. Thanks for the memories Mike! Love you! RIP.*
