“ To Mike's family and friends, please accept my sincerest condolences. I had the privilege of getting to know Mike during the time I worked at USAA. He made me a better person simply by setting an example for how to be a great co-worker, friend, father, husband, and (hopefully one day for me) grand father. By doing that, he made this world a better place for us all. He inspired everyone who made his acquaintance and now we can honor him by continuing his legacy. Rest in peace my friend.

“ I've known Mike for thirty years. I work in the same industry as he did, myself on the body shop side. He was highly respected by myself and everyone that had the pleasure to do business with him. He was a great man and will be missed. My prayers are with you all.

Dear Blackwell family, I share your loss of Mike. He was a wonderful, giving person who was my friend at Columbus State and beyond. Dianne and Mike were my close friends. I will miss him terribly. He was a person who enjoyed helping others. He was true and real.
