“ You’ve seen me through it all Mike! Elementary school, middle school, high school. Prom, graduations, starting my career, and starting my life. You were there for the big moments and I always knew the love you had for us. You will be missed. I hope now your body has peace. I am so lucky to have gained another guardian angel on my team. You, grandma, papa and Ozzy bear. You cannot ask for better more loyal souls to look after you. Til we can all laugh again. -love, Chach

“ Mike was one of the best people I know, we have been friends for longer then I could remember .
 He truly was one of the Funniest guys with out even trying. I would always tell him he was not funny! Just so he wouldn't think he was . He would always tell as what he knew. Of course we would tell him he was wrong. He would always prove us wrong. 😂My favorite memory Was our trips to Target. (Connie you know)
 Mike was So easy going and easy to get along with.
 His love for Connie was everything ❤️They had a great love story, and a beautiful friendship.
 My heart is broken , he will be greatly missed.
 Till we meet again my friend
 Love Lisa Flores
