“ *Fond memories exist for this amazing woman. My mother, Nina Joe Reed considered Mildred Davis one of her best friends. All of the Davis family were close friends with the Reed family. Mildred Davis lived her life as a friend to all. My mother, as we all did, loved her dearly. Mildred put others first. She was fun to be around and had an infectious laugh. May her family find peace in knowing every one who Knew her, loved her. She was so many things to so many people. My thoughts are with all the family.*

“ *Mildred and I had so much fun teaching together at CES. We used to laugh so hard at crazy things we did. We developed not only a friendship, but she was like a Mother to me. I'm so sorry she is gone. She loved her family very much. Such a sweet and kind person to everyone. Rest in peace Mildred, you deserve it. I love you! My deepest sympathy to the family, Sue Ransum*

I just saw the post. I immediately remembered the movies & the ball games she took us to and also our family get togethers, the chickens and even the pea shellings. People like your Mother made Centre special. Love you all and wish I could have been there.

“ *Milna, as we call her, was one of the sweetest ladies and such a giving person. I remember shelling peas at a cookout and how we all got involved and had such a great time. We got to hear her stories and she got her peas shelled. What a great day and a wonderful memory. We will miss her and I just ask God to comfort the family at this time and cherish their memories of her.*
