“ Mrs. Ann,
*I know that you knew that I loved you!! Thank you for being my friend, my best pal during my time in High School. Thank you for loving me, for seeing after me, for laughing with me and always letting me in to the teachers lounge for your delicious glass of sweet tea. I can't count the times I have spoke of you over the years and how many stories I have told of you. I am deeply saddened to hear of your passing, but I am sure you are in the greatest of company there in glory.
I'll meet you over there some sweet day, we will have a nice glass of cold Ice tea.
Love you Mrs. Ann, your whole family means the world to me. Many prayers of comfort did you all during this time.
