“ Patricia was such a beautiful, loving, and vibrant cousin when we were growing up together, and I will ALWAYS remember her that way. My dad, William Lee was the oldest of nine children, and Patricia's mother, Aunt Geneva, was his oldest sister. Patricia looked so much like her mother in pictures of Aunt Geneva when she was a young girl that it totally astounded me when I saw them. I can't believe Patricia is gone, and my heart goes out to all of you knowing the depth of your loss. Please know that my thoughts and prayers are with all of you and that you will continue to be in my thoughts and prayers for many days and weeks to come. Love to all of you across the miles.
