“ Aunt Patsy was an earthly angel. I never felt anything but love and acceptance from her. She was exceptional in every aspect of living.

She loved her family and gave of herself to all of them. She adored my uncle Billy. I have fond memories of her laughing at him. He knew just what to say or do to get everyone tickled. Uncle Billy and Aunt Patsy were made for each other. Patsy “raised” many people. Not just in her family, but during the years she worked at Centre Elementary School.

Most of all, she was gifted with servant's heart. I saw her as a witness to the love of God.

My last and wonderful time with her , she and Kathy prepared a wonderful meal for me, along with my sister and Aunt Bennie. The meal was amazing! Patsy was a phenomenal cook. The time we had together was unforgettable. I treasure all my memories of her. I can only hope her precious family can hold on to all the memories made. They can take heart in knowing so many people loved her. My condolences to this beautiful family. Love all of you!
