“ Aunt Peg, I cannot tell u how absolutely heart broken I am that you are gone. I love u with all my heart u were the bestest aunt in the whole world. I hate the fact that u were not surrounded by ur actual family and people who loved u when u passed. I knew I should've brought u home with us. What makes it so bad is me and mama and weezie were coming to see u that day and were gonna surprise u by bringing my Bird! Aunt Peg u would honestly love her, just as much as I do, and I believe that if u would've known we were coming u would still be here. I hate this...I hate everything about this, but I have to put on a brave face and keep everything I feel about this situation bottled up so nobody that doesn't matter anyways gets their feelings hurt. I love u Aunt Peg, I'm sorry I didn't do more for u or come see u more often but like yall always said no use crying over spilled milk. Til we meet again ur always in my heart and I know that u went knowing u were really loved....REALLY!
