“ Words cannot express the sorrow I feel, not only for the loss of a dear friend and great man but for my sweet cousin, Lisa, who was more of a sister than cousin and the entire Davis family, I love you all! Gary held a special place in my heart, we all spent a lot of time together more than 30 years ago when I was pregnant with Adam and it was always Gary that always had a hand out to help me down the bank of the creek to go fishing to make sure I didn't fall and I have never forgotten that and pray that he knew how much it meant to me! RIP my friend, you will be dearly missed!
