“ Granddaddy you were all that a person would want to be . You were strong and funny and funny looking 🤪 I'm just kidding you were good looking you kept everyone going and everyone smiling you had bad days but we all do and you were stubborn all the way till the end but you deserve to be in your heavenly home more than most people I know and I'm so blessed you hey to be there right now in no more pain or struggles . I love you so much and in really going to miss arguing with you and getting called queen because to you I was always the queen. You always put up with me even when you never really had to and I'll always be thankful for all you've done for me and all you taught me you were the most giving person I know . I love you old man . Hope the foods good up there because I know that was always your favorite 💜💜💜
